Huron Research Suite

Lobo Researchers,

Due to a cybersecurity event affecting the UNM Health Sciences Center, the Huron Research Suite has been taken offline.

This impacts both the Huron Research Suite v12 environment and the HSC Huron Research Suite v10 environment. Out of an abundance of caution, Huron has taken the following systems offline:

- Huron Research Suite v10
- Huron Research Suite v12
- Huron Employee Compensation Compliance (ECC)
- Huron Revenue Cycle Performance Accelerator (RCPA)

We will share additional information as it becomes available. Please email us vpr@unm.edu if you have any questions or concerns. Thank you for your patience and understanding.
